Motion 360 Photo Booth was amazing! Our students and staff thoroughly enjoyed the Photo Booth and videos they created. The team at Motion 360 is professional, and FUN! We appreciated the constant communication and dedication to our event. Thank you for making JCHS homecoming such a success.

This was my first experience with a 360 photo booth, recently I went to an event at regal event hall & had so much fun!! I had no idea this was even a thing but I'm definitely using them for my birthday! The 360 adds so much quality to your memories and the company made it even better with their energy and involvement. Motion gift is worth it, trust!

These guys are the best in town. Their prices are a deal for the service. Liked that they were super professional and timely with setting up.
